

Update on Modernization of Eligibility Systems for the Medicaid Innovation and Reform Commission

Dr. Bill Hazel, M.D.
Secretary of Health and Human Resources

August, 19 2013

Getting ready for ACA/MAGI on 10/1

System support being readied :

- New VaCMS case management system
- CommonHelp enhanced to support MAGI applications
- Cover Virginia call center will accept telephonic applications
- VaCMS integrated with rules engine containing MAGI benefit criteria
- Income will be computed using IRS MAGI methodology in VaCMS
- VaCMS connected to the federal Health Insurance Exchange (HIM), real-time check with SSA, IRS, Homeland Security
- Cases will be coordinated between the HIM and VaCMS; electronic transfers

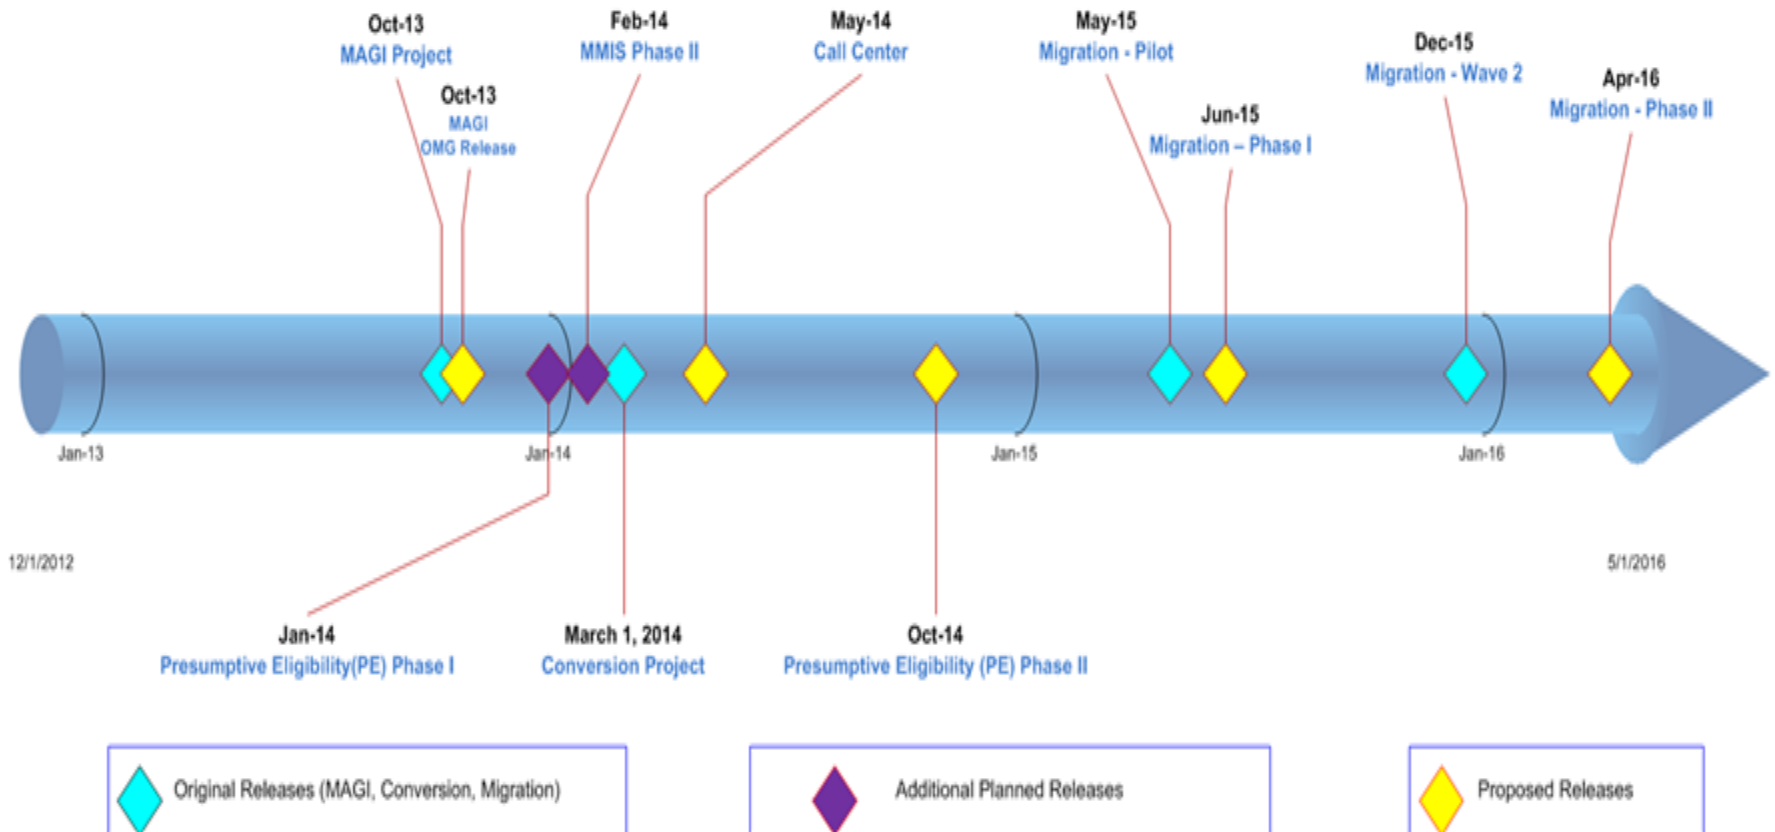

Getting ready for ACA/MAGI on 10/1

Organizational Readiness :

- Broad communication channel with the local DSS offices, including newsletters, decision briefs, etc. to build support
- Completed regional educational sessions to introduce all local DSS offices to MAGI concepts
- Providing business process re-engineering (BPR) consult to those local DSS offices interested (43)
- System training with local DSS staff has started; will continue through September.
- Preparing Community Partner and Citizen messaging for September and October

Modernization releases will continue...
