Dear VA MIRC:

As the parent of a citizen with an ID waiver, I support The Arc of Virginia's comments regarding "Phase 3" Medicaid reforms that impact Virginians with intellectual and developmental disabilities. A copy of these comments can be found at the following link:

The medical needs of citizens with ID waivers are far too critical and unique to apply one-size-fits-all for-profit rules. Thank you for your consideration of this vital medical care issue.

Regards,

Hamilton Holloway
