VA MIRC

Dear VA MIRC:

As a parent of 2 daughters who have ID, I want to voice my support of The Arc of Virginia's comments regarding "Phase 3" Medicaid reforms that impact Virginians with intellectual and developmental disabilities. For over 35 years I have advocated for the needed services for individuals like my daughters and any changes must be well thought out and the impact of those changes need to be considered to ensure it is the BEST way to proceed.

Thank you,
