**First Name** - Colleen

**Last Name** - Browning

**Organization Name** -

**Comment** - Reforms and expansion to Virginia's Medicaid program need to be made. Five million dollars a day are being turned down because of the petulant objection of some to Obamacare—while citizens go without healthcare? Clearly some Virginian office holders have lost sight of the fact that they are in office to serve the people. Please expand Medicaid for the sake of people and businesses in Virginia. Thank you, Colleen Browning Voter
