Dear VA MIRC:

I support The Arc of Virginia's comments regarding "Phase 3" Medicaid reforms that impact Virginians with intellectual and developmental disabilities. A copy of these comments can be found at the following link:

My sister lives with me and receive services because she has a Medicaid ID Waiver. I am very concerned about the Waiver Services being subject to managed care. Virginia needs to re form its Waivers and have more information about the impact of putting waiver services into managed care.

Thank you,

Janet Straus Jones
