VA MIRC

Dear VA MIRC:

As the mother of a child with an intellectual disability, I support The Arc of Virginia's comments regarding "Phase 3" Medicaid reforms that impact Virginians with intellectual and developmental disabilities. A copy of these comments can be found at the following link:

We chose Virginia to be the place where we raise our children, never knowing that we'd have a child with such serious, lifelong needs. Please don't let us down.

Thank you,

Thank you,
