First Name - Gail

Last Name - Kent

Organization Name - The Buzz Factoree, LLC

Comment - I am a small business owner, and I support the Affordable Care Act. I also believe that Virginia should receive its fair share of Medicaid dollars to fully implement this program. Not to do so will mean that many human beings who would otherwise avoid suffering and death will not. This is is a matter of great moral imperative. Not to accept these dollars because of a political vendetta is unconscionable. Virginia should be better than this. Prove to me that we are.
