Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

Health care needs to be cheaper. My gross salary far exceeds the amount I actually get in my paycheck and I don't even see 1/16th of it back in taxes. If taxes are going to take out that much money out of me then I deserve a good medical plan that's not going to take even more \$ out of me and only cover some things.

Sincerely,

Lea Hodges
