**Comment** - Dear Members of the Medicaid Innovation and Reform Commission, Please protect the vulnerable and expand the Medicaid eligible population to 133% of the Federal Poverty level (a single adult making \$15,281 a year). Access to affordable health care is a basic human right and should be available to all. Currently Virginia has among the strictest eligibility criteria in the country and ranks 48th in per capita contributions to Medicaid. Healthier Virginians mean overall lower healthcare costs across the state. Thank you for considering my perspective in this important matter.
