Dear VA MIRC:

I support The Arc of Virginia's comments regarding "Phase 3" Medicaid reforms that impact Virginians with intellectual and developmental disabilities. A copy of these comments can be found at the following link:

[REDACTED]  
I am the parent of an adult with ID and cannot speak for himself. What all parents want is for their children who, through no fault of anyone, will always be dependent. Therefore, I agree with all of The Arc of Virginia's comments to protect the well being, health, and quality of life of my son, which must be in place for when I am no longer alive.

Thank you, Dr. Rosemarie Scotti Hughes

Thank you,

Rosemarie Hughes
