First Name - Susan

Last Name - Goins-Eplee

Organization Name - Jefferson Area Children's Health Improvement Program

Comment - Expanding Medicaid will 1. catch the people who are falling through the cracks with regards to their health care 2. give us the ability to work with them at the prevention stage of health care which will be an over all cost savings to the health care system and 3. Make certain that medical care providers and hospitals are paid so that they can hire adequate staff and provide complete care.
