Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I find it unbelievable that a state would deny health insurance to 400,000 of it's citizens when by far the majority of the money would be supplied by the Federal government. I know this is much to ask of politicians, but for once, could we do the right thing and take care of our friends and neighbors in need. One day, it may be us.

Sincerely,

Albert Harris
