Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

Virginia must NOT be one of those few states about which it can be said "Virginia does not care about the health needs and problems of its children, its handicapped or disabled, or its low income elderly!" The Republican party in Virginia must NOT hold these people hostage to its extreme and selfish values. EXPAND MEDICAID TO 400,00 PEOPLE NOW!

Sincerely,

Beverly Silver
