Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

Expanding Medicaid alone will provide Two Billion Dollars A Year directly into the Va economy. Those dollars will go through our economy 4-10 times as people buy groceries, cars, clothes, homes, etc in the communities where they work. Only a moron or group of morons would refuse that kind of boost to our economy. And we can't afford to let morons take everybody else down with them.

Sincerely,

Bruce and Joan Smith
