Dear Members of the MIRC Commission,

I feel that Medicaid Expansion is necessary for those who need it, but there should be very strict guidelines as to who should receive coverage. Medicaid should not be used for out of wed lock pregnancies, illegal aliens and able bodied person's who could get a job and pay for their for their own insurance like everyone else. The free ride needs to be stopped. Drug abuse related medical care should not be covered, if they can buy the illegal drugs to shot into their veins and get anabscess, then they should be able to pay to have the abcess treated.

Sincerely,

Deborah Browning
