Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

Medicaid should be expanded. It is a win-win decision. Veterans, nurses, home health care providers, and working families would all benefit from this expansion.

It's time to move forward with implementing Obamacare to make our health care system better for everyone.

I am ashamed to say I live in Virginia where this draconian thinking about healthcare for all is a negative thing. It is such a tragedy that we have to keep fighting for something so basic to human needs.

Sincerely,

Donna Phillips
