Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

Medicaid coverage saved my life two years ago. I would not be here to write this were it not for Medicaid. I am permanently disabled and no longer able to work. I know what the availability of Medicaid means, particularly under challenging economic conditions. With all my heart, I appeal to you as human beings to please expand Medicaid coverage, and save those who may suffer and perish without it.

Sincerely,

Earl Rexrode
