Dear Medicaid Innovation and Reform Commission,

As a candidate for the House of Delegates in the 42nd district, I know that expanding Medicaid is a must for Virginia. Not only will it allow 400,000 Virginians to be insured, it will create almost 30,000 new jobs. If we do not expand, the Medicaid reimbursement to our emergency rooms will end. This could result in the shutting down of some units.

Sincerely,
