Dear Medicaid Innovation and Reform Commission,

I personally don't need Medicaid. I'm on Medicare, and deeply appreciate that we have a system that ensures senior citizens have access to health care.

But I am deeply concerned that there would even be a question about extending the availability of health care to the working poor.

I am a Christian, and I am impelled by Jesus' words to care for the poor. From Matthew 25:

37 Then the righteous will answer him, 'Lord, when was it that we saw you hungry and gave you food, or thirsty and gave you something to drink? 38 And when was it that we saw you a stranger and welcomed you, or naked and gave you clothing? 39 And when was it that we saw you sick or in prison and visited you?' 40 And the king will answer them, 'Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.'

Sincerely,

Eleanor Braun
