**First Name** - Elizabeth

**Last Name** - Pugin

**Organization Name** - member, SALT, VICPP

**Comment** - I respectfully urge MIRC to support expansion of Medicaid in VA. Expansion will permit at least 400,000 Virginians to have health care and the federal govt will cover the cost for at least the first several years. It will be good for these Virginians, save the Commonwealth money in uninsured hospital visits, and probably add quite a few new jobs. Virginia really looks behind the times if we do not expand Medicaid.
