**First Name** - Ian**Last Name** - MacRae**Organization Name** -

**Comment** - Dear MIRC, Please support Medicaid expansion for Virginia. This will allow for a controlled access to health care, verses the dependence on costly emergency rooms saving the insured and the tax payer alike. Most importantly Medicaid will provide life savings access to health care for 415,000 Virginians and creating jobs in preventative medicine. Ian MacRae, President E-N Computers, Inc. Waynesboro VA.
