Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I urge you to expand Medicaid according to the provisions of the ACA. Failure to do so will cost Virginians' lives and will increase costs to the state and its citizens by forcing continued reliance on costly emergency-room care by uninsured Virginians.

I understand the ugly politics of the situation, but there's no good reason NOT to expand Medicaid.

Let's do it!

Sincerely,

James Umberger
