Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

Please expand Medicaid in Virginia. So many people depend on this in order to provide vital services. I am a speech pathologist and many children with significant communication delays require Medicaid in order to be able to get speech therapy for their children.

I urge you to move beyond partisan politics and expand Medicaid to Virginians who deserve it!

Thank you!

Jamey Lord

Sincerely,

Jamey Lord
