Dear Medicaid Innovation and Reform Commission,

My only income is disability. Last month I applied for Medicaid, was told I make 30 dollars too much and put on a spend down that would require me to spend 3,000.00 out of pocket within a 6 month period; doing that would mean I would have to live on 200.00 a month. Give me a break!...this is ridiculous!!!

Sincerely,

Janet Fitch-Johnson
