Comment - Dear MIRC Members, I am FOR the proposed expansion of Medicaid in Virginia. I consider MIRC approval of the expansion to be plain common sense. By a quirk of fate (regardless of ones financial status) anyone of us Virginians could wake up tomorrow and be in desperate need of the proposed Medicaid. Those who think otherwise are suffering from an acute state of denial. Please recommend approval the proposed Medicaid expansion. It is a good investment to have for all Virginians. Joseph R.
