First Name - Julia Dorsey

Last Name - Loomis

Organization Name - Episcopal Church

Comment - Please expand Medicaid coverage to include families and individuals whose incomes cannot cover the healthcare they need but who earn too much to qualify for outside assistance. It is simply the right thing to do. A society is judged by how well it treats the least of its citizens. In addition, expansion of Medicaid will create jobs and will also minimize the use of emergency rooms for basic care, thus keeping private insurance rates from rising.
