**First Name** - Lee**Last Name** - Carleton**Organization Name** - n/a

**Comment** - In spite of the flurry of misleading and misinformed rhetoric, most Virginians want to expand healthcare coverage. Please join the up side of history and expand Medicaid for the common good of our Commonwealth. I am a under-employed 52 year old man and such an expansion would mean a great deal to me and the financial stability of my family. Please do the right thing and EXPAND.
