Comment - I am strongly opposed to the expansion of Medicaid. My sister's doctor is closing his practice because of Obamacare and I know several other doctors who are no longer accepting Medicaid patients. Our insurance plan doesn't even resemble what it was in 2009. (So much for keeping what i liked) Especially the cost. Co-payments doubled, our new deductible will quadruple in amount January 2014. Premiums have doubled and are set to increase again Jan. 1. For most of my life I've had bare bones coverage or none. I finally got a decent plan and Obama has ruined it! Now I'm facing "unprecedented" premiums with barebones coverage. I don't see what's "fair" about that. Expansion=Rationing. Expansion=bankrupting VA. PLEASE M.I.R.C. don't do this to us!
