**First Name** - Mari

**Last Name** - Bonomi

**Organization Name** -

**Comment** - I live on the Northern Neck. So many people, so many families here are unable to access health care because they cannot afford it. Over 13% of the folks in my county, Lancaster, are food insecure! Even those families above the arbitrary "poverty line" are far from being able to afford to care for their health. They need this expansion of Medicaid. Please approve them!
