Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I think we have a moral and ethical obligation to support Health Care in the State of Virginia, in the country which is one of the wealthiest industrial countries in the world. We have the funds to do whatever we decide to do and should choose 'good' over 'evil' when given the opportunity.

Remember that you will be rewarded one way or the other on "healing the sick."

Sincerely,

Marian Bowes
