Dear Chairman Hanger and Members of the Medicaid Reform and Innovation Commission:

It makes NO sense to turn down the money the federal government is offering our state to expand Medicaid. Why let the money we send to DC go to some other state??? Why refuse coverage to 400,000 uninsured Virginians who can't afford to pay for coverage and aren't offered it through their employers?? Please vote to reform and expand Medicaid in Virginia, accept the \$2.6 billion being offered by the federal government, and boost our economy by creating tens of thousands of new jobs.

That's how you put people back to work in Virginia.
