Comment - I am a senior citizen living in Loudoun County. I have no job and no health insurance, but I'm not eligible for current VA Medicaid services. I am desperate to enroll in a program that can help me with my pre-existing health conditions. I have worked all my life and paid my taxes faithfully. The expansion of Medicaid in VA will not cost the state anything for 3 years. Please look beyond politics and do the right thing for Virginians. Please expand Medicaid in Virginia.
