Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

Without the Medicaid expansion, too many people will be left in the group that cannot receive subsidies for health insurance, and will not be able to afford health care. This is especially problematic for those who suffer from chronic medical conditions. The financial burden of these conditions could well end up back in the hands of taxpayers if the Medicaid program is not expanded. Please do the right thing and expand Medicaid to those who need it.

Sincerely,

Melissa Nemeth
