**Comment** - I support medicaid expansion. I believe it is irresponsible not to expand medicaid coverage for needy Virginians when the federal government will pay 100 percent of the cost for three years and 90 percent thereafter. Virginia ranks 48th in Medicaid spending and that is an abysmal reflection on our state. We can and need to do better for our less fortunate citizens of the Commonwealth and here is an opportunity to do so that we cannot afford to pass up!
