First Name - Michelle

Last Name - Knight

Organization Name - Our Lady Queen of Peace Catholic Church

Comment - Please expand Medicaid and do it soon! I manage our church's emergency assistance program: we give small amounts of financial assistance to people struggling to pay their rent, utility, transportation or medical bills. Frequently, people come to me because they have a medical bill they cannot afford. We often help with their rent because the money has gone to a medical bill. These people are very low wage earners and need Medicaid to survive!
