First Name - Molly

Last Name - Landram

Organization Name - Self employed housekeeper

About file - I was born and raised here in Virginia. I think it's the best state in the union and I want it to remain so. I believe Obamacare is an economic train wreck and should never have been passed. I also believe the expansion of Medicaid will only cause greater destruction to occur here in Virginia. Please don't allow this to happen.. You can protect Virginians from the tax hikes that are sure to follow the expansion of Medicaid. Only those organizations set to profit from our suffering are in favor of the expansion.
