Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

As a tax-paying Virginian, I strongly support the expansion of Medicaid in my state. The state of the current health system is a disgrace and the fact that many of my fellow Virginians are excluded from exercising their right to access health care is appalling. I urge you to expand Medicaid in Virginia, which would ultimately contribute to a healthier population and consequently an economically healthier Virginia.

Sincerely,

Nancy Diaz
