Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

I have friends fellow Virginians, who are single, childless adults over the age of 26 who are unemployed and without unemployment insurance now. In spite of the great opportunity afforded many by the ACA, these people will still have no access to healthcare, because the legislature has chosen not to expand Medicaid in Va. Please correct this inequity with your decisions.,

Sincerely,

Nancy Hoadley
