Virginia Medicaid Innovation and Reform Commission

Dear Medicaid Innovation and Reform Commission,

I see on an almost daily basis the uninsured in my work at a volunteer
free clinic. I know our clinics do not come close to covering all our
needy, and I know that having many uninsured is a major cost burden on
our hospitals. Expanding Medicaid would save us millions. It would be
really bad judgement financially, as well as against our better moral
nature not to expand Medicaid under the current Federal proposal.

Sincerely,

Nathaniel Connally
