First Name - Raymond

Last Name - Beurket

Organization Name - Retired

Comment - The Medicaid program in VA is broken. Please don't make the mistake of increasing Medicaid under Obamacare. That law is an oncoming trainwreck according to its author, Sen Baucus. It will wreck Medical Care in America while punishing taxpayer as it has in other countries with similar programs. 1,000 employees at the Cleveland Clinic will be terminated as a result of Obamacare. Insanity.
