Comment - Thank you for an opportunity to speak yesterday at the General Assembly. It was clear that the vast majority of those in attendance were in favor of Medicaid expansion, as am I. I sincerely hope that you heard the facts and the individual stories that were presented. I was acutely aware that those who spoke against expansion had no argument but the money and there is more to the argument than money alone. Thank you for taking the time to listen to us for so many hours and with such attention.
