**First Name** - Rhonda

**Last Name** - Cantrell

**Organization Name** -

**Comment** - First, people who are abusing the system should be forced off of Medicaid and Welfare and get a job like the rest of us. If they qualify and have enough income for their employer's health insurance then they should do that first or use the new Insurance Advantage system to find a good alternative. They should NOT be allowed to stay on Medicaid or Medicare though if they can work and earn enough to pay for their own health insurance.
