First Name - Richard

Last Name - Knox

Organization Name - Self

Comment - It makes no sense to expand Medicaid, a failing system, to more people, and try and fund it with borrowed money. Also, guess who is going to eventually pay for the Federal subsidies? This whole Federal vs state funds is a charade , since they both come from the taxpayer no matter how you launder it through a bloated government system. Let the state determine how to best take care of the uninsured. Vote no on Medicaid expansion.
