**Comment** - Please, DEFUND OBAMACARE!!! My husband is working beyond retirement to pay for my healthcare. I am 58 years old and unable to work due to crippling arthritis. I won't be eligible for Medicare until I'm 62 or 63 years old. My son is 24 years old, still lives at home, can't find a full time job, and under Obamacare....we will have to pay for his healthcare or be fined by the IRS after October 1st if we don't provide for him. We can't even claim him on our income tax as a dependent if we don't provide him with healthcare. Our employer based healthcare went up last year and is due to go up a whopping 29% after October 1st due to Obamacare. Please, DEFUND OBAMACARE. WE CAN'T AFFORD IT!!!!
