Dear Medicaid Innovation and Reform Commission,

Dear Committee Members not only do I support expanding Medicaid, I am the President of a statewide grassroots organization of 54,000 members Virginia Alliance for Retired Americans that support it. Why would we want to pay our tax money to go to another state because you will not expand it. It took you too long to name committee members especially on the Senate side. And it is taking way to long to render a decision on it. You people are acting like the Members of Congress except being quite about what you are doing. Are you afraid to keep the voters informed. It would also create numerous jobs.
Sincerely,

Ron Thompson
