Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

We all depend on the services provided from our nurses, Veterans, care
workers, working families and others. They depend on safe, quality
healthcare that does not bankrupt them and render them ill, broke and
unable to provide their services.

They, and thus all of us, won't have that security unless we expand
Medicaid in Virginia.

It's time to move forward with implementing Obamacare and make our
health care system better for everyone.

Sincerely,

S Sharp
