Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

Not expanding medicaid when the Federal Govt is willing to pick up 90% of the tab makes no economic sense. These approx 400,000 people who will be excluded from health care will cost far more when they show up at an emergency room for critical care. We as Virginians will eventually pay for their care but at a vastly increased cost in suffering & lives.

Sincerely,

Stephen Toher
