medicaid expansion1 message

To: vamirc@mirc.virginia.gov

Tue, Oct 8, 2013 at 9:19 PM

400,000 Virginias need medical coverage. Please expand Medicaid for these vulnerable citizens who are our neighbors. If Medicaid is not expanded they will continue to use ERs as the medical service of last resort which makes things more expensive for all of us through rising costs. Thank you for your work on this issue. Suzanne Bentley, Pilot, VA
