Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I have never been a recipient of Medicaid and consider myself lucky because of that. However, none of us know what the future holds so one day I MAY need to avail myself of the program. Also, some others are not as lucky as I've been. THEY need help to survive, so PLEASE do not punish those who DO need a boost!

Sincerely,

Sue D'Onofrio
