Dear Medicaid Innovation and Reform Commission,

Please vote to expand Medicaid in our state. Virginians of every income level need the security of knowing that when they get sick, they can see a doctor without an enormous bill once they've gotten well. But they won't have that security unless we expand Medicaid in Virginia. This expansion would help cover expenses for veterans and the working poor.

I ask you to consider those who are the "least of these" who deserve just as you and I do to have good, safe, affordable care when they are sick or injured.

Sincerely,

Susan Verbrugge
